

What is ESF funded training?

The European Social Fund is the European Union's main financial instrument for supporting employment in the member states of the European Union as well as promoting economic and social cohesion.

As a multi award-winning learning & development provider, we're constantly working on behalf of companies to give you access to the best training needed – whether that's a full qualification or a bespoke course designed specifically for your business – we're here to help.

That's why we're excited to tell you that if you are a business in Leicester or Leicestershire and employ less than 250 employees you may be eligible for funding.

We've been working round the clock to bring funding to your area and help businesses make the most out of their people through constant progression, with many courses available to help your business exceed expectations.

Call or email our team now to check if you qualify!

DID YOU KNOW?

Skills Metro Open Doors is a new skills service available to businesses in Leicester and Leicestershire.

The service links training organisations with local businesses, allowing you to upskill your existing workforce in line with your business strategy and the local skills priorities.

The training is fully funded, meaning that you and your employees benefit from the service at no cost.

Open Doors is designed to help staff gain access to opportunities and progress their careers through upskilling.

The prime contract is managed by Interserve
